THE DISTRIBUTOR FOR SOLAR EXPERTS

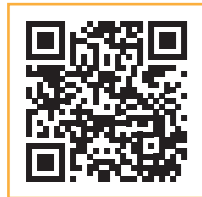

Krannich Solar Australia

Established in 1995 in Germany, Krannich Solar has grown from a two-man operation to the impressive international company it is today, with **31 branches in 27 countries employing more than 1,100 people.**

As a **specialist wholesaler of PV components & storage systems**, we are more than just a distributor, we are your trusted advisor, here to help you navigate the myriad of options to select the best products for your business' needs.

Krannich Solar builds on their international experience through a **local team with local knowledge and expertise**, backed by a portfolio of **quality products suited to Australia's harsh environments** and unique industry regulations. **Krannich Solar is your trusted partner** for all your PV and storage needs, for both, **residential & commercial installations.**
