Krannich Solar Brisbane

Established in 1995 in Germany,
Krannich Solar has positioned itself to accommodate installers of all sizes with years of expertise and extensive resources at their disposal and a proven track record of fulfilling installers' needs in an efficient and responsive manner.

Krannich Solar Brisbane builds on this international expertise with a local team with local experience and a portfolio of products perfect for the tough Aussie conditions in which your projects need to thrive. Krannich Solar Brisbane is your one stop shop for any installation including commercial projects.
