THE DISTRIBUTOR FOR SOLAR EXPERTS

# Krannich Solar Melbourne Office

Established in 1995 in Germany, Krannich Solar has grown from a two-man operation to the impressive international company it is today, with 25 branches in 23 countries employing more than 1200 people.

As a specialist wholesaler of PV and storage systems and components, we are more than just a distributor, we are your trusted advisor, here to help you navigate the myriad of options to select the best products for your business' needs.

Krannich Solar builds on their international experience through a local team with local knowledge and expertise, backed by a portfolio of quality products suited to Australia's harsh environs and unique industry regulations. Krannich Solar is your trusted partner for all your PV and storage needs, for residential and commercial installations.
